

Muhammad Saad

Software Engineer | UI/UX & Webflow Developer
Wah Cantt, Pakistan | saad49861@gmail.com | [Linkedin Profile](#)

PROFESSIONAL SUMMARY

Software Engineer with hands-on experience in UI/UX design, web development, and no-code web development. Skilled in Webflow and WordPress, with practical experience creating responsive, production-ready websites and user-focused interfaces. Experienced in React, Next.js, Node.js, Express.js, MongoDB, Figma, and Elementor. I currently works on projects while exploring freelance opportunities in Webflow, WordPress, and web development.

EDUCATION

Bachelor of Science in Software Engineering — Air University, Islamabad Sep 2022 – Jun 2026

FSc Pre-Engineering Sep 2020 – Aug 2022

EXPERIENCE

Junior Webflow Designer / Developer — Kreativ Ally 1 Month

- Developed responsive websites using Webflow, including custom layouts, animations, and interactions.

UI/UX Design Intern — 128 Technologies 3 Months

- Designed and improved web app interfaces, assisted with user research, and created interactive prototypes.

Frontend Web Development Intern — Sillicom Technologies Oct 2024 – Apr 2025

- Built responsive UIs with HTML, CSS, JavaScript, and React.js; developed reusable components.

Backend Development Intern — CoftTech Jul 2025 – Aug 2025

- Contributed to server-side applications, APIs, and database integrations.

WordPress Client Projects — Freelance Ongoing

- Developed and customized WordPress websites using Elementor based on client requirements.

KEY PROJECTS

- **Curvy Workwear** — Fashion blog website built on WordPress with custom Elementor design for a workwear brand. [\(Link\)](#)
